

2016 RRCA MD Ultra Series

(More club Ultras may be added in 2016 as permits allow)

The Ultra series is a participating series with awards based on qualifying with enough races run and then up to 15 runners will be picked at random.

The award will be the same as for the 2016 MD Grand Prix Series and will be given at the 2017 10 Mile Challenge.

In order to qualify, a runner must run at least 3 races of the Ultra Series. If a runner is a winner in the regular MD GPS, an alternative award will be given.
