

Heart-y runners

Dr. Robert O. Biern, left, chairman of the Anne Arundel County Unit of the American Heart Association, happily accepts a check for \$5,000 from Chris Kinstler, center, and Randy Fox, members of the Severna Park Funrunners. The money was raised during the third annual Severna Park-Annapolis Ten Mile Run held in August. Plans are getting under way for another run to be held the last Sunday of August 1979.
