# CARDIAC CONTRIBUTION

Ron Bowman, right, race director for the Annapolis Striders' 10-Mile Run, recently presented a \$15,000 donation to Anne Arundel Medical Center Foundation for use in the cardiac area of AAMC's new hospital. This is the first installment of the Striders' \$50,000 pledge. Accepting the check for the foundation is Dr. Rodney Brimhall, left, cardiologist, with cardiac rehab patient Ginny Martin of Kent Island and Libby Vinson, registered nurse, of the hospital's Cardiac Rehab Unit.
