STRIDING FOR THE BEST

Ron Bowman, race organizer for the Annapolis Striders' 25th Anniversary 10-mile run, presents a \$10,000 check to Dr. Elizabeth Kingsley, president of the Anne Arundel Medical Center medical staff, and Martin L. Doordan, AAMC president. The funds will go to the hospital's cardiac rehabilitation program. This is the third year the Striders have donated proceeds from the race, which this year attracted 5,000 racers from 35 states and two foreign countries.
