

## STRIDERS SUPPORT

Dr. Rodney L. Brimhall, cardiologist, right, welcomes Matthew Mace, left, president of the Annapolis Striders, to Anne Arundel Medical Center's Cardiac Rehabilitation Center. Using one of the center's exercise machines is Margaret Harnish, who comes in for the center's regular classes under the direction of Sharon Hall, registered nurse. The Annapolis Striders recently contributed \$8,000, the proceeds from its 1996 10-mile run, to the hospital's foundation for the Cardiac Rehabilitation Center.
