

FIRST-TIMERS CLAIM VICTORY AT ANNAPOLIS; HAUSENFLUCK AND HOLDEN VICTORIOUS

BY GEORGE BANKER

ANNAPOLIS, MD--The Annapolis Striders set a challenge through organization and a demanding course. For twenty-two years Maryland's premier 10-mile run, the Annapolis 10-Mile (Sunday, August 24, 1997) has been the gathering spot for all levels of runners to test their physical and mental abilities.

The high point of the event was at 2.5 miles going out and 6.5 miles on the return; the New Severn River bridge (80 feet high; 2835 feet in length). The bridge has humbled many runners in the area.

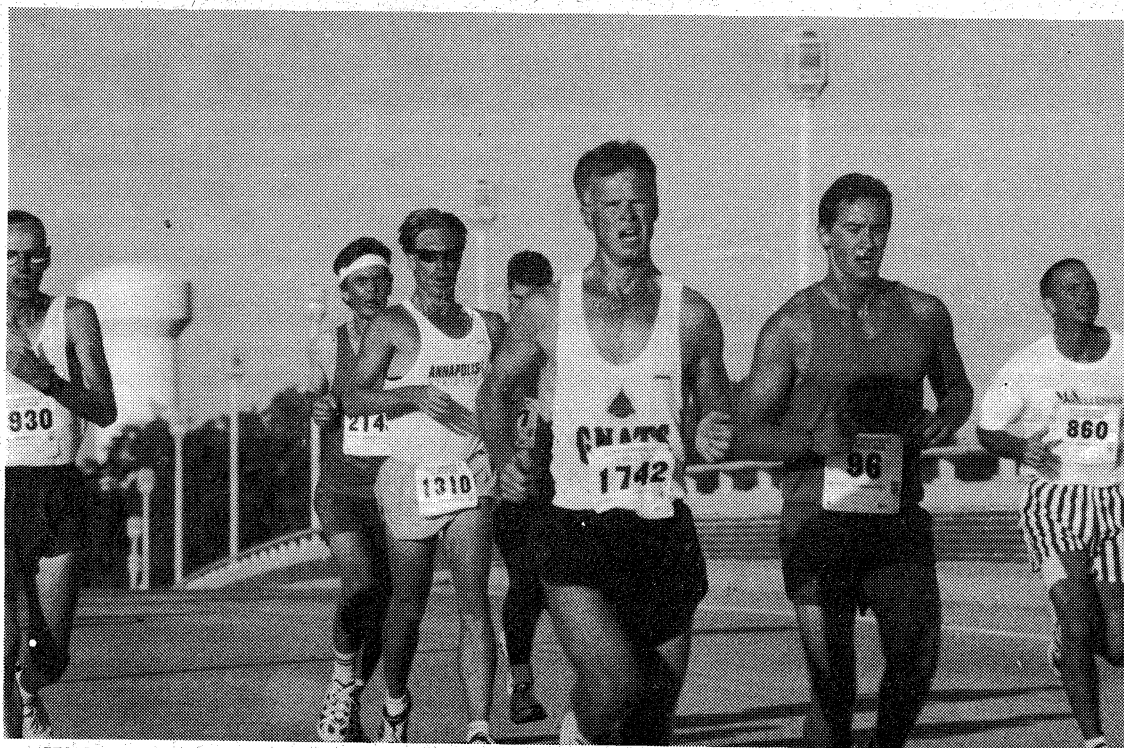

The wall of runners had circled the Navy-Marine Corps Memorial Stadium awaiting the start. The weather was ideal and was the coolest in years. In 1994 when the new bridge was added the temperature at race peak was 83 degrees.

This year the event posted the highest number of female finishers at 1055. There were 2235 male finishers.

The debut of the ChampionChip was to take the Annapolis 10 Mile Run into a new era relative to scoring. The chip was to remedy the problem of not having an accurate time because of the time lost getting to the start. The chip was to record the time a runner crossed the start line and the time captured; the finish time was adjusted. The chip was laced to the shoes and if the device was lost a runner would not receive a time.

The sea of runners made an early break to start off their 10-mile journey. An early move was made by Merrill Hausenfluck (Olney, MD), making a debut in the event, followed closely by Brazilian, Eron Ferreira, who runs barefoot. Hausenfluck pushed through mile two with 10:09. Ferreira was at his shoulder.

At the top of the New Severn River Bridge the two were matching strides. Following in close pursuit was Rob Magin (Gaithersburg, MD) and seconds back was three-time winner Gerry Clapper (Columbia, MD). Clapper and Doug Mock have each won the event three times. Clapper was first in 1988 (51:25), 1993 (52:01), and 1994 (52:22).

Dave Walser (#1310), 38, of St. Leonard, MD and Paul Clarke (#860), 38, of Herndon, VA; both finished in 1:03:44; Ed Ryan (#1742), 43, 10th in

the 45-49 age group with 1:02:09; Hardwin O'Dowd (#96), 24, of Baltimore (1:04:03). (George Banker photo)

The female division was being dominated at 2.5 miles by Megan Holden, Washington, DC making her debut in the race. The second female, 25 yards back was Maureen Hall (Lavale, MD). In the hunt were Vanessa Cox (Laurel, MD) and Callie Molloy (Alexandria, VA).

Hausenfluck continued to hit the hills with Ferreira in tow. The three-mile mark was crossed at 15:30. The fourth mile caused Ferreira to drop out because of a cut to his heel from stepping on a rock. Hausenfluck continued alone; his fifth mile time was 25:52. Hausenfluck made the climb back across the bridge and proceeded to the U.S. Naval Academy grounds. His time at seven miles was 36:23.

At eight miles his time was 41:33 (split time of 5:10). The mile nine time was 46:50 (5:17 split) as Hausenfluck departed the Naval Academy for the final mile. The demanding pace in the opening miles had paid off; there was no competition. The last mile was closed in 5:23 to give Hausenfluck a

major win with 52:13. The event record for the open men has been on the books since 1982, set by Gary Siriano (Pittsburgh, PA) at 48:43.

Second was captured by Kurt Kroemer (Bowie, MD) with 54:21. Robert Marino (Annapolis, MD) was third with 54:54. Fifth went to Robert Magin (Gaithersburg, MD) with 55:07.

"I have been running in the area for five years. I never had a major win. I was running alone after mile four and I felt good through mile seven and hit the wall a little later. At the Academy you can see who is behind you. I was hurting the last three miles and I felt the race was mine to lose," said winner Hausenfluck.

In the earlier miles with Ferriera in close second, Hausenfluck said, "I did not mind him that close but if that was in the last three miles then I would have been worried. I did not want to have to get into a kick."

The winning Masters was Roberto Rodriguez (Arlington, VA) with 58:30 (18th place overall). At the 2.5 mile mark Rodriguez was being chased by Maurice Pointer (Baltimore, MD) across the bridge. Pointer was unable to close the gap and finished second with 58:44 (20th place). Ty Lanahan (Parkville, MD) was third with 59:07 (25th place). The event record for the Masters was set in 1994 by James Pryde (Bel Air, MD) at 53:48.

Second place in the 45-49 age-group was Bethesda resident Bennett Beach with 1:00:36 (42nd place). "I was only 20 seconds slower than last year for a guy who has been fighting injuries." Beach further stated, "I run pretty steady and I like the hills to come in later since I am a slower starter and I can always count on other people falling off. This was a well-organized race."

Megan Holden continued to work the hills and was able to make a successful bid for first place with a time of 1:01:42. The event record was set in 1982 by Eleanor Simonsick (Baltimore, MD) with 56:12. "I passed the lead female at two miles and I never look back. I was feeling good through mile six. The tough part was running through the Academy," said Holden. "The people cheering along the course gave me a rush. With one mile to go I had to turn it on," commented Holden.

Taking down second place was Alexandria resident Callie Molloy with 1:02:13. Molloy attempted to close an early lead established by Holden but was unsuccessful. Molloy (formerly Calhoun) took first place at the 1993 Army 10-Mile Run (59:29) and was runner-up in 1994 (58:24). At the 1994 U.S. Marine Corps Marathon Molloy captured first place (2:49:46).

Third was captured by Hilary Cairns (Washington) with 1:02:29. In fourth was Jennifer Flint (Wayne, PA) with 1:02:40. Fiona Branton (Arlington) was fifth with 1:03:27.

The winning female Masters was Margaret Starnes (Street, MD) with 1:07:02 (17th place). The event record was set in 1991 (1:00:36) by Annapolis resident, Rose Malloy. Susan Humphries (Potomac, MD) was second with 1:07:05 (19th place). Bernadette Flynn (Fairfax, VA) was third with 1:08:01 (24th place).

Susanne Nearman (Alexandria, VA) finished with 1:11:25 (48th place, 15th in 35-39 age-group). "I

had cut my toe earlier in the week and I had to stop at mile three. I was furious but it was something I had to deal with. I had to adjust the bandage on my foot and I lost time." The race was not over. "Today things were clicking just right. The crowds were real supportive. It was the best race ever, it was just beautiful, just rock-n-roll, the hills were out of the way early," said Nearman. "This was a good practice, real smooth, and I wanted to feel good. I'm so happy and I was mentally strong. The Marine Corps Marathon will be it," added Nearman. Multiple-year winner, Steve Lietz (Rockville, MD) captured first place in the wheelchair division with 44:32. The event record was set in 1991 at 37:31 by Kenny Carnes. Thomas Gorman (Littlestown, PA) was second with 49:09. Third place went to Daniel Andrews (Chester, MD) with 49:13.

To honor the memory of a long-time Annapolis Strider, the Pat O'Brien Memorial Award (the 6th year) was presented to the first female Anne Arundel County finisher. Sylvia Friedman (Annapolis) was the recipient setting a time of 1:10:56 (45th place).

The winners of the Maryland State Road Runners Clubs of America (RRCA) 10-Mile Championship awards were presented to overall winners, Merrill Hausenfluck (52:13) and Megan Holden (1:01:42). The Masters award went to Roberto Rodriguez (58:30) and Susan Humphries (1:07:05).

The ChampionChip proved to be a valuable addition to the event and the awards ceremony by having the accurate information in record time.

Taking first place in the 70 and over age-group was Dixon Hemphill (Fairfax Station, VA) with 1:18:35 (819th place).

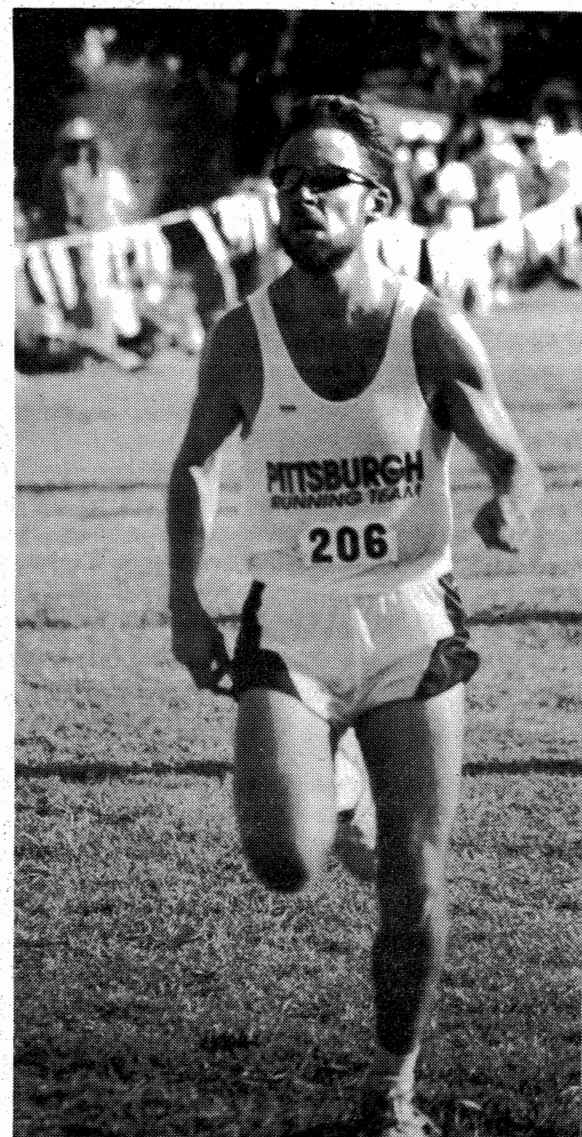

"I want to be recognized for my running ability and not for being the oldest," commented the winner of the 70 and over age-group, Hedy Marque, age 80, (Alexandria, VA). "I now have a flotilla with five boats," added Marque.

George Yannakakis (Baltimore) was first in the 65-69 age-group with 1:09:58 (331st place). Yvonne Aasen (Severna Park, MD) was first with 1:43:48 (918th place). Leonard Morgan, Sr. (Bel Camp, MD) was first in the 60-64 age-group with 1:12:51

(504th place). Jeannette Chambers (Arnold, MD) captured 1:35:09 (643rd place).

Sandra Jamison (Alexandria), Navy JAG said, "This was my first time running. It's a nice course but the flat part at the Academy was the worst part." Jamison finished with 1:16:30.

Joe Sokol—In Memorium

The Annapolis 10-Mile Run has been held since August 22, 1976 and since 1986, 35,027 runners have crossed the finish line. The number should have been 35,028. This year the event had its first fatality. The runner was Joseph Sokol, age 47, of Ellicott City, MD. Sokol went down at the 7 1/2 mile mark in full cardiac arrest along Parker Road on the perimeter before Farragut Field. The medical assistance given was immediate but not successful.

Sokol was no stranger to the Annapolis 10 and the event was an annual undertaking. The following times were posted, 1:21:32 (1993), 1:21:37 (1994), the highest temperature of 93 degrees and the New Severn River Bridge), 1:28:24 (1995) and 1:29:35 (1996).

At 2 1/2 miles at the top of the Severn River Bridge, Sokol was making the journey along with the thousands of other runners. There was a look of calmness across his face as he passed.

The following statement by long-time running friend Ray Lake puts Sokol in the winner's circle. "Joe, was the Director of Pharmacy at Columbia Medical Plan. Joe had been a fellow pharmacist, mentor, boss, friend, fellow sports enthusiast, running buddy and Howard County Strider. What more could one ask for a working environment."

Lake and Sokol had their last conversation at the start and had agreed to meet after the event as usual. Lake stated, "We run at different paces and I had bettered my time by five minutes over 1996 and ran 1:12. I wanted to share this with Joe."

"Joe was always upbeat and I always respected him for his level-headedness and ability to handle "high stress" situations in the office." added Lake.

Sokol did not cross the finish line outside of the Navy-Marine Corps Stadium. The thoughts and prayers of the thousands of runners and volunteers are with the family.

The awards ceremony was started by having a moment of silence in memory of Joseph Sokol, a husband, father, friend, and fellow runner.
