

TIDES TURN, MOCK AND NICHOLSON

BY GEORGE BANKER

ANNAPOLIS, MD--It goes by the name of "Maryland's Premier 10-Mile Road Race," better known on the local circuit as the Annapolis Ten Mile Run. The event celebrated its 16th running on Sunday, August 25th. Each year the event has guaranteed heat, hills and humidity, and a challenging last half of a course. The Navy-Marine Corps Memorial Stadium serves as the start/finish area, and runners have an opportunity to spend a couple miles (three - five), over the U.S. Naval Academy grounds. The Academy continues to play a key factor in the event along with the many other sponsors.

This year, two of the prior winners were up on the line, Jim Hage of Lanham, MD (1987-50:01; 1990-51:21) and Gerry Clapper of Columbia, MD (1988-51:25). There were others among the 3,000 runners who wanted a shot. The runners went on a tour of downtown Annapolis before entering the Naval Academy for the interesting part of the course, the first major hill. At the crest of the hill (mile six), Hage wasn't going to be a factor as Clapper took control of the event. Clapper began to negotiate the hills, but he had a potential challenger, Doug Mock of Bowie, MD (Mock finished fifth in 1990 with 52:14).

The event had four miles remaining and the reports had Clapper in control and projected winner. An event is not over until it's over. In the last 100 yards, Mock pulled an upset, dug deep and overtook Clapper to take first place with 50:29. Clapper settled for second with 50:32 and Hage was third with 51:40.

The masters record (1982, 53:59-Mike Sabino), was tied by Roger Clark of Vienna, VA who placed 13th overall. Clark probably never knew how close the record was. The second position was captured by William Desmond of Baltimore, MD with 54:39 (20th overall). David Radziewicz of Wrightsville, PA was third with 55:44 (30th overall).

The females had two prior winners, Rose Malloy of Annapolis, MD (1990-1:00:40 and a new masters record), and Donna Elliot-Moore of Kensington, MD (1989-1:00:32). The female runners were working just as hard as the males, all competing for a favorable position. The course was taking its toll as both prior winners began to fade back and a new leader emerged. The leader for the women was Stacey Nicholson of Baltimore, MD with 59:51 (in 1990-1:02:12 for second place), good for 94th overall. The second position was captured by Marybeth Allen of Washington, DC with 1:00:02 (96th overall). The third finisher

(l. to r.) Rose Malloy third overall and new female masters record holder with Marybeth Allen second female overall and and first masters with a new course record was Malloy, with 1:00:36 (106th overall). Elliot-Moore managed to finish in fifth place with 1:01:18.

Beverly Shooshan of Bethesda, MD was the second female masters to finish with 1:06:00. Third went to Linda Mills of Salisbury, MD with 1:06:20..

The 70 and over age group was a battle between Pritchard Denzil (age 70), Dunkirk, MD and Ed Benham (age 84) of Ocean City, MD. It was not a cake-walk, but Denzil captured first with 1:21:44 to Benham's 1:23:11.

The dominant female was Hedy Marque (age 74), of Alexandria, VA with 1:24:15. Marque continues to dominate the roads in the area.

A couple of new records were set in the wheelchair division. The dominant roller, Kenny Carnes of Morningside, MD lowered the 1990 mark of 39:23 to 37:20. The female roller, Brenda Smith of Gaithersburg, MD lowered the 1990 mark of 1:02:15 to 57:30.

If you want a late summer serious workout, then mark your schedule for the 17th Annapolis Ten Miler.

THE TEAM THING

In an effort to promote the camaraderie

Stacey Nicholson first overall. (George Banker photo)

within a running club, the team division attracted a total of 39 (male/female teams). The scoring was based upon place of finish among all of those who were participating on a team as opposed to overall position within the Ten Miler. The first five scored with the sixth being displaced.

A few of the results:

The Open title was captured by Tri-Maryland A with 38 points. In second was the Washington Running Club with 74 points.

The Masters title was retained by the Gnats with 36 points. In second position was Baltimore RRC with 62 points followed by York Road Runners with 75 points.

The Corporate title went to Martin Marietta with 35 points and IBM in a close second with 44 points.

The Military title was defended by MDW-Army with 19 points. The second position was taken by Fort Knox with 36 points.

The Open women's title was captured by the Tidewater Striders with 46 points. The Baltimore RRC was second with 63 points and Nova-B was third with 93 points.

The Women's Masters was taken by Nova with 21 points and second was captured by the Tidewater Striders with 44 points.

The RRCA (men) title was captured by the Howard County Striders with 23 points. In second was Montgomery County RRC with 35 points followed by the Annapolis Striders with 80 points.

The RRCA (women) was captured by the

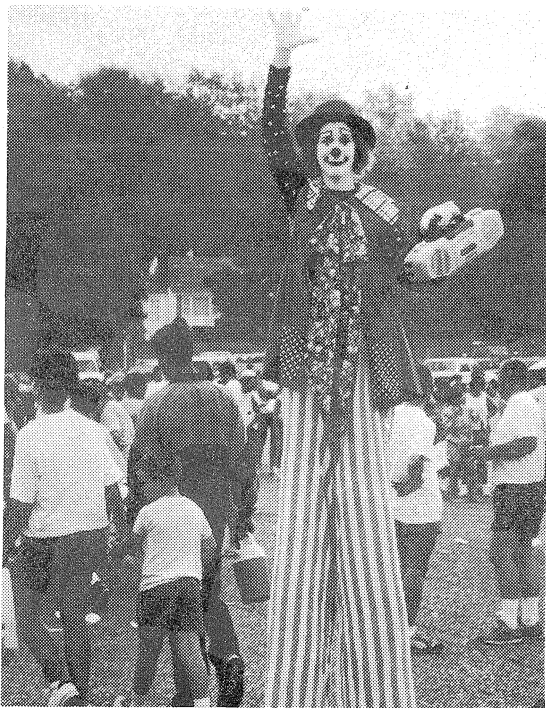

LSON VICTORIOUS AT ANNAPOLIS

Tidewater Striders with 30 points. The Baltimore RRC took second with 34 points and third with 59 points.

The Public Safety title went to the Baltimore City Police team.

Sweet 16th in Annapolis

BY EVAN THOMAS

ANNAPOLIS, MD--Old acquaintances renewed and new friendships forged. This was the order of the day for the 16th renewal of the Annapolis Ten Mile Run, Sunday, August 25th. The weather committee negotiated a compromise with the elements which brought us overcast skies and reasonable temperatures along with the usual dose of humidity. The enthusiastic volunteers appreciated the breezes which made their jobs more enjoyable. The runners and wheelchair athletes could see what they missed along the course during the 1990 race!

Topping the weather was the thrilling finish with Doug Mock nosing out Gerry Clapper. Stacey Nicholson managed a PR to best the women. Rose Malloy set another masters record and managed third overall. The men's masters record was tied by Roger Clark while both wheelchair winners, Ken Carnes and Brenda Smith, set new records. Nice work on a tough day.

John Butterfield, in whose office the Annapolis Striders, Inc. was founded in December, 1978, returned to tell us he has been selected as Executive Director of the President's Council on Physical Fitness. Perhaps we can get

him to arrange for the "Terminator" to be next year's official starter.

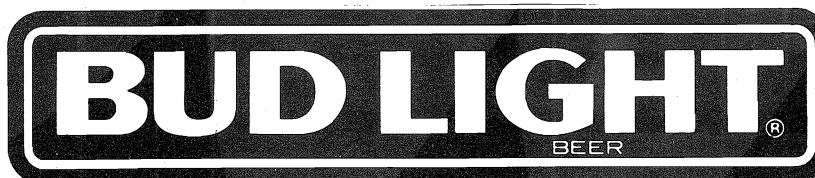

Our thanks go to the Baltimore Road Runners, the Howard County Striders, and Lew Gibb of NJ for loaning us digital clocks for the race.

This race is an example of what a Road Runners Club of America club can do for the running community. Being an all volunteer organization, we rely heavily on the goodwill the race generates in the business community in order to attract and keep quality sponsors. This goodwill is also needed to effectively work with the many state, county and local agencies and other organizations that are affected by the race. This is enhanced by the genuinely nice people who return to run Annapolis year after year. We hope to see you again next August 30th for our 17th year.

The commemorative lapel pin has been sent to the first 250 men and first 50 women. For those who had to wait for the race premium, we apologize. It should come in handy now that the cooler weather is here. If you did not get yours or have other comments or questions, please contact us at the following address:
